NEGRO'S ARREST MAY ADD TO RECOVERY OF 200 CARS

Nashville, Tenn., Oct. 29.—"A fence" for stolen automobiles that may lead to recovery of nearly 200 cars, is expected to be revealed in grand jury investigations following the arrest at Lexington, Tenn., of a negro. Four cars were taken with the negro.

A systematic plan for changing engine numbers and otherwise disguising the identity of stolen cars is suspected. Both Memphis and Nashville detective forces are working on the case.

SENSUAL REVELS GRIP BERLIN RICH; MASSES STARVE

Berlin, Oct. 29.—The pursuit of sensuous pleasure is gripping all Berlin while the masses clamor for bread.

Cabarets everywhere are catering to all classes. Reckless spending and loose morality are rampant.

Barbaric scenes are witnessed nightly in Berlin's most luxurious cabaret, the Kurfurstendamme, which is thronged with profiteers and Russian aristocrats who drink champagne at 150 marks per bottle and watch "beauty dances" in which young girls wearing only a necklace or belt, sway to sensuous Slavonic music.

The average citizens, frequenting the cheaper cabarets, are also entertained with similar 'beauty dances'. Berlin life today is compared by serious observers to the decline of the Roman empire.

WITNESSES VANISH IN MURDER PROBE

Chicago, Oct. 29.—Disappearance of eight witnesses wanted to corroborate the alleged confession of William Sadler, New York stock broker before the Federal grand jury here was announced by officials today.

Sadler according to Federal officials exposed a huge liquor ring, said to be handling millions of dollars' worth of whiskey. The confession implicates scores of Federal officials and many Chicago policemen.

According to officials, unless the eight witnesses are found the government's case against the liquor ring will practically collapse.

TWO WIVES, "SEVEN YEARS OF HELL"

Philadelphia, Oct. 29.—John Karinski was arrested as he left his work at the New York Shipyard, and taken to jail on a charge of deserting his wife. He had failed to appear in Court when summoned to plead, last Monday. When arrested Karinski strenuously objected, saying that he has "had seven years of h—l" in living with two wives, and thought he had enough punishment.

INDICT MUGGSY M'GRAW

Giants' Manager Is Accused of Violating Volstead Dry Law.

New York, Oct. 29.—John J. McGraw, manager of the New York Giants, yesterday was indicted by the Federal grand jury on a charge of violating the Volstead act.

The indictment was procured on evidence presented by Assistant Federal District Attorney Edward H. Reynolds, who investigated the fracas at the Lambs' Club last August between McGraw and John C. Slavin, a musical comedy actor. The indictment charges that on that date McGraw had illegal possession of a bottle of whiskey. The maximum penalty for such an offense is a $500 fine.

The grand jury's action, it was learned, resulted from statements attributed to McGraw in press reports during investigation of the Lamb's Club fracas. In these he was quoted as saying he had bought two bottles of whisky at the club shortly before the trouble described.

COX SAYS G. O. P. FORCES ROUTED

Defeated at Every Turn They Have Left Front Line Trenches

IN FIGHTING CLOTHES

Scores Republican Propaganda That "The People of America" Want Change—Greeted by Indiana Crowd

Indianapolis, Ind., Oct. 29.—Arguments addressed especially to voters favoring Senator Harding, upon the broad general ground of desiring "a change" in national affairs were emphasized here last night by Governor Cox.

To a large audience in Tomlinson Hall, and in a formal statement, Governor Cox fired a broadside of questions to the American people, attacking Senator Harding and other Republican leaders for their league of nations, legislative and political records.

"Republicans, when they are honest,' Governor Cox declared, 'have acknowledged what is patent to every one—that no one really wants Senator Harding for President. nd yet they tell me that as partisans many expected to vote for him because they have been taught to believe that they "wanted a change." The expression was preached as propaganda by reactionary leaders until it has become nauseating to the public."

Governor Cox asked whether the voters desire a change back to "normalcy" relative to legislation, tariff revision by big business, to reactionary politicians, to control of government by men led by Lodge and Penrose," and to other conditions.

Governor Cox's visit here was the occasion for a great rally of Hoosier Democracy. A parade with fireworks torchlights and bands, was staged and the Governor spoke to an overflow meeting outside of the hall.

Hundreds of persons, including many clubs, marched in the parade The Governor arrived here at 5.30 o'clock last night from Dayton, Ohio, where he spent the day resting and where he issued a second statement attacking the Saturday Evening Post renewing charges of unfair partisanship.

With the fire against the argument for a change in government, Governor Cox also preached the league of nations and predicted victory next Tuesday.

"When I started this campaign," said Governor Cox, "I made the prediction that we would drive our opponents out of the front trench by mid-October. I have now visited thirty-six States, not only has that prediction come true, but the retreat of the reactionary forces has become a rout. The American people clearly are for our going into the league. The lines are definitely set. My election means our going into the league, and notwithstanding the 'wiggling and wabbling' of Senator Harding the voters have taken him at his word that he is against the league and that he has turned his back upon it.

"Every smoke screen set up by the senatorial oligarchy' has been pierced and every entanglement has been torn down. The specious attempt to build up a slogan for a 'change is the last to fall.

"My opponents make their fight upon the league issue and upon me. They have failed in their attempt to divert the issues. They have been compelled to recognize that Cox is the candidate and no longer can they continue their assault upon President Wilson, whom they have pitilessly belabored for months, even though they knew he was sick and unable to defend himself—a much a victim of the war as is any disabled soldier in the hospital."

SACRED MUSICAL SERVICE.

The quartette and chorus of the Methodist Episcopal Church, South, will on next Sunday night at 7:45 o'clock provide the principal part of the evening in the place of the sermon.

The programme, as arranged, will be published in tomorrow's edition of the Gazette.

The public is cordially invited.

DEMOCRTIC FUND TOTALS $878,831.24

New York, Oct. 29.—Total receipts by the Democratic National Committee to October 25 for the conduct of the present campaign amount to $878,831.24, according to an announcement made by Wilbur W. Marsh, the party's National Treasurer.

This figure, Mr. Marsh said, was to day submitted according to the requirements of the corrupt practices law, to the Kenyon Committee investigating campaign contributions and expenditures, in Chicago.

The sum collected, the Democratic treasurer stated, is constituted almost of contributions to the campaign $150,000 which was borrowed. Other sources, which aggregated collections of only a few hundred dollars, included the sale of the campaign text books, refunds from advertising and such small items.

Chicago, Oct. 29.—The Republican National Committee's campaign to elect Senator Warren G. Harding President will cost $3,442,892.32, Fred W. Upham, National Treasurer of the party, notified the Senate committee appointed to investigate campaign expenditures in a report filed with the committee here today.

The sum of $3,042,892.32 had been spent up to the close of business Sunday, October 24, and Mr. Upham estimated the expenditures in the closing week of the campaign at $400,000 additional. The report shows that 301,388,98 was spent between October 18, when a report was filed with the Clerk of the House of Representatives in Washington, and October 24, the date of today's report.

MacSwiney's Funeral

Pontifical Requiem Mass Celebrated in St. George's Cathedral, in London.

London, Oct. 29.—The Government has refused to permit the body of the late Lord Mayor MacSwiney, of Cork, to be landed in Dublin and has provided a special steamer to convey the remains to Cork.

London, Oct. 29.—A Pontifical requiem mass was celebrated this morning St. George's Cathedral over the body of the late Lord Mayor of Cork, Terence MacSwiney, who died in Brixton prison, Monday morning after a hunger strike which lasted more than 73 days. Church dignitaries, the Lord Mayor of Dublin, the deputy Lord Mayor of Cork and deputations representing the British Parliamentary Labor party and various Irish political and civic organizations attended.

Thousands of persons thronged every available space in the large Cathedral, scores standing on chairs in the aisles, straining for a glimpse of the chancel, where the casket reposed in a catafalque with four officers wearing the uniform of the Irish republican army standing motionless as a guard of honor.

The casket was surmounted by wreaths and the hat which the Lord Mayor formerly wore as commandant of the Cork brigade of the volunteer army. The breastplate of the coffin bore an inscription in Gaelic reading: "Murdered by the foreigner in Brixton prison, London, October 25, the fourth year of the republic. Aged 40 years. God have mercy on his soul."

In the front pews, reserved for the family and official delegations, there was one figure missing, the Lady Mayoress, who collapsed this morning from the strain and anxiety and was unable to be present at the ceremony in the cathedral.

TUMULTY PAYS HIGH TRIBUTE TO WILSON

Private Secretary Presents The Human Side of Great Character

WILSON THE MAN

Declares President is Greatest Man of the Age, and Greatest Force for Public Good in all the World

Washington, D. C., Oct. 29.—In obscure Bethesda, a small Maryland town not far from the Capital, was set forth last night a phase of the campaign that deserved a world audience. Before a Democratic mass-meeting, large for the hamlet, but smaller by far than the great revelation deserved, Joseph P. Tumulty, secretary to President Wilson, gave a most intimate review of the nation's leader.

There has been no such estimate by a man so able to judge as Secretary Tumulty gave of the Democratic leader he has served for ten years. His address follows:

"I come to you tonight not to add anything to the Democratic argument which is already complete and convincing, but merely to talk for a little while about the man who for eight stirring years has been the nation's leader, a man as strangely misunderstood by some and as violently misrepresented by others as any man in the whole history of American politics since the great President Washington cried out, after years of malignant misrepresentation, that 'he had never repented but once having slipped the moment of resigning his office, and that was every moment since; that by God he had rather be in his grave than in his present situation.'

"I have long wanted to tell the country of the manner of man this Woodrow Wilson really is, but have refrained because I knew that he himself would not have approved. He who shrinks from self-exploitation would resent exploitation by his friends. And so, while he was a candidate for office, or appealing to the country to elect a Congress that would support his policies, I have put a seal on my lips, hard as it has been to do so.

"But circumstances have altered. Whoever is elected Woodrow Wilson will pass from the stage on March 4, and in accordance with the genius and character of a free Republic he who has sat in the most exalted seat in the land will step down and quietly take his solace in the great company of private citizens. It, therefore, seems to me not improper that just before the curtain rises on the farce, I modestly step out from my obscurity in the wings, and tell the audience a few things about the leading actor in this great drama of the past eight years, the stormiest and most pregnant period in all the history of the world.

"I have known Woodrow Wilson for 10 years in the intimate relationship of a private secretary. I may be presumed to know at least as much about him as the gentlemen who discourse vividly of him in Pullman smokers, on the golf links and in the clubs, who assure you that all they say is fact for they had it on the word of a friend of a friend who passed through Washington once and heard a man say that another man said, etc.

"It is impossible to tell you how proud I was when he invited me to become his private secretary in March, or how solemnly gratified I was when, after he was elected President, he invited me to come to Washington as his private secretary. On March 4 I shall have completed 10 years, two months and four days of the intimate, official, personal association. Let the future bring what it will, I have had this supreme satisfaction, that for 10 years I have been tied up with the greatest man of the age, and the greatest force for public good in all the world of this present time."

WOMEN HOLD FIRST RALLY IN VIRGINIA

Four Noted Women Speakers Explain Campaign Issues

MRS. O'BRIEN PRESIDES

Many Men Attend Meeting—Speakers Deliver Entertaining Addresses—Predict Sweeping Victory

Four women speakers last night discussed the campaign issues before a largely attended democratic rally of men and women held in the opera house under the auspices of the Cox, Roosevelt and Moore Club. The rally was a big success in every particular. Mrs. M W O'Brien presided. Music was furnished by Smith's orchestra. At the conclusion of the meeting the audience sang the last verse of "America", being led by Mrs. O'Brien.

The first speaker was Mrs. A. C. Coates of Illinois. She spoke on Article Ten of the League of Nations. What the Monroe Doctrine has done for this hemisphere, the League of Nations will do for the world she declared. Article Ten she said eliminates the chances of war. The speaker laudisl the polices of President Wilson and declared the foreign nations, especially the smaller ones look to the United States for leadership. If the United States backs out at this time she asked. "What will be the opinion of the other nations, especially the smaller one?"

In conclusion Mrs. Coates said that it is going to take the Republican party three decades to reach the pinnacle reached by the democratic party during the past eight years.

Miss Cynthia Cleveland, cousin of the late President Grover Cleveland, asked if the republicans would tell the people of the country what they did with the money during the years prior to the war, if this country was unprepared when war was declared. A review of the splendid war work of the government at home and for two years prior to the entrance of this country into the conflict was given by the speaker.

Mrs. William Grey Burkhead, Jr., of the League of America Pen Women, Washington, whose home is in St. Louis, told of how former President Taft endorsed a world league, for peace. She asserted that Europe is on fire and America is smoking. The republican side of the campaign from the viepoint of a democrat was given by Mrs. Grace Porter Hopkins, vice president of the National Press Association. The republicans great issue she said have been hatred and fear. While President Wilson was in Europe she said they started a campaign of hatred the republicans signing a round robin that they would stand against the league before they knew what it was. The republicans since the Chicago convention she said have made the campaign a campaign of lies.

At the conclusion of the addresses Gardner L. Boothe explained how to vote the democratic ticket next Tuesday and stated that it would not be necessary for the women to bring their tax receipts as first stated.

Mr. Boothe stated that as far as he knew this was the first meeting conducted exclusively by women held in Virginia.

Occupying seats on the stage were Mrs. W. O'Brien, who presided; Mrs. Charles Needheim, Mrs. Nevell S. Greenaway and Mrs. C. E. Nicol, and Gardner L. Boothe, treasurer of the Cox, Roosevelt and Moore Club; Mayor James M. Duncan, Commonwealth's attorney Howard W. Smith, Commissioner of Revenue Charles H. Callahan and Clerk of Council D. R. Stansbury.

REPUBLICANS AND THE REDS.

It is immaterial whether Senator Harding knows Washington D. Vanderlip or not, or whether he authorized an assurance of the recognition of soviet Russia. Mr. Harding is a man without independence or force who is a puppet in the hands of Republican capitalists and politicians who are Republicans for what they can makeout of their party. If Senator Harding should be elected President he would have to do what the men who procured his election tell him to do. He will be no free agent. He will have to do what the men who selected him and made him President demand.

The official information from our Commissioner in Riga is that Lenine told H. G. Wells, the English friend of the Russian Reds, that Washington D. Vanderlip claimed to represent Senator Harding and make certain proposals regarding the recognition of soviet Russia. The Moscow soviet has long been exceedingly anxious to secure recognition from foreign Governments. The President has refused to recognize the soviet, which does not even pretend to represent the people of Russia. The soviet has leased 400,000 square miles of Eastern Siberia, with exclusive rights in coal oil and fisheries to Mr. Vanderlip's syndicate.

What was the inducement for this concession? The soviet could not obtain recognition from the President and it is not likely to obtain it from a President of Mr. Wilson's party. Probably it made this concession in order to secure recognition from Mr. Harding in the event of his becoming President. A group of American capitalists promise Mr. Harding recognition and get an enormous concession. There's millions in it. It is not necessary to remark upon the gross impropriety of American citizens entering into a contract with a group of men whom the United States will not recognize as a government. Where a vast amount of money is in sight a syndicate of Republican capitalists are not likely to stand on proprieties or loyalty to their own Government. Vanderlip has got his concession and promises that Mr. Harding will recognize the Russian Reds, and Mr. Harding will do what the syndicate tells him to.

FAVORS RETAINING ALL OF HEALTH OFFICIALS.

(Communicated.)

Alexandria, Virginia
October 27, 1920.

Dear Mr. Editor:—

It is with a feeling of amazment that I heard that our Mayor has made recommendations for reductions in the maintenance of the health department of a most reactionary character which if adopted mean a bad setback to the public health and public welfare.

Does he not know that until very recently the city failed to meet its obligations to protect the health of its citizens even to the reasonable degree customary in similar communities in the United States? It is proper enough for the city to avail itself of special laboratory facilities of the State, but there remains a great amount of everyday work which cannot be done unless the city meets its obligations and furnishes its own laboratory.

Does he think, because the needs of the city are so obvious that unofficial agencies are willing to aid by furnishing one public health nurse and one school nurse, that the city should do nothing? Two nurses in a city of this size are not enough. Enlightened communities ow recognize the importance of proper health supervision of school children to the future welfare of the state. Public health nurses are indispensable. We should have three at least.

It would seem incredible that the clear headed business men of the community who have been educated during the past few years to recognize the need of cleaning up the city, providing a safe water supply and keeping communicable diseases under control will permit such a dangerous policy of retrenchment as the mayor proposes.

But, if they do, are still the women to be reckoned with. The women of Alexandria will not stand idly by and permit this backward step that carries so much menace to the health of their children and their future and the welfare of the public as a whole.

Very truly yours,
LAURA M. TAYLOR,

Leopard Cannot Change Spots

Mr. Dodson, the "Liver Tone" Man, Tells the Treachery of Calomel.

Calomel loses you a day! You know what calomel is. It's mercury; quicksilver. Calomel is dangerous. It rushes into sour bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

When you feel billious, sluggish, constipated and all knocked out and believe you need a dose of dangerous calomel just remember that your druggist sells for a few cents a large bottle of Dodson's Liver Tone, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and can not salivate.

Don't take calomel! It can not be trusted any more than a leopard or a wild-cat. Take Dodson's Liver Tone which straightens you right up and makes you feel fine. Give it to the children because it is perfectly harmless and doesn't gripe.

CLERGYMAN RECOMMENDS CHASCO-VIN

"It restored me to health after twelve years doctoring so I am glad to recommend it to others."

Rev. C. F. Tiemann, 206 South 3rd Street, Steelton, Pa., writes: "For at least twelve years I was troubled with a cough that no doctor that I consulted could cure. Along with the cough I frequently had chills attended with heart attacks. At times I was scarcely able to walk. This continued until I began taking Chasco-Vin on the recommendation of a druggist friend.

"In a short while the cough began to leave me. I could breathe more freely and now I am cured in so far that whenever I feel my old trouble coming back I begin again on Chasco-Vin and am soon relieved.

"I have recommended this medicine to many others with equally good results so you can do with by recommendation what you please. Chasco-Vin is a good medicine for me and has restored me to health."

The Alexandria agency for Chasco-Vin is Edgar Warfield, Jr., King and Pitt streets. Call at Warfield's Pharmacy and inquire further about it.

Engineer Killed When His Own Train Runs Him Down

Richmond, Va., Oct. 29.—T. A. Toan, veteran engineer on Chesapeake and Ohio Railway, had both legs cut off yesterday in the local yards and died before reaching a hospital. He was riding on the front of his own engine when he stepped off to a adjoining track.

The switch was set and the engine struck Toan to the spot, running him down before he could get out of his way.

Do Not Let Another Day Go By Without Taking Advantage of this Extraordinary Nation-wide Demonstration Sale of Pathe Phonographs

This is such an extraordinary sale, the Pathe Phonograph is such an extraordinary phonograph —and the advantages of this sale are all so extraordinary you should lose no time in coming in.

Every person in Alexandria and vicinity who has the slightest idea of owning a phonograph should, even at considerable inconvenience, hear this wonder ful instrument. For it is the one you want to own the moment you see and hear it.

$25 Worth of Genuine Pathe Records FREE

You have never seen such a phonograph for $150, to say nothing of the records and the rest of the equipment which are included. Nor have you ever heard such a good phonograph at any price.

If you were to guess at the price, guessing solely on appearance, you would price this Pathe Phonograph alone at many dollars higher than the entire outfit brings. But when you hear the Pathe's incomparable tone you will immediately make up your mind that, "Here is a phonograph that cannot be duplicated in tone at any price and one which I would rather own than any other instrument I have heard, even if I could get others for half the price."

Yet the Pathe cost no more than the ordinary Phonograph

It is our conviction that the Pathe is the one phonograph you will really want to invest in after having seen and heard it, and the sole purpose of this Sale of these 100 splendid instruments, and our including $25 worth of genuine Pathe records absolutely without charge, is to give the Pathe as wide a publicity as possible in Alexandria and make it the most talked about and popular phonograph in this vicinity.

[redacted]

And because this sale offers so many advantages, you should take immediate advantage of it. You simply must come in and hear this marvelous instrument play a few of your favorite selections. Come tomorrow.

RICHMOND—Tom Mix in "The Untamed"

Tom Mix, the daredevil Fox star, is the attraction at Richmond Theatre today, in what is declared to be the most fitting picture of the Mix type of prowess seen in many months. The picture, entitled "The Untamed," is an adaption of Max Brand's novel of the same name. It was produced by William Fox and directed by Emmett J. Flynn. It boasts a very fine cast of players all favorites of motion picture devotees.

Pauline Starke, a popular leading woman, plays opposite the star.

"The Untamed" is a story of the West in which Max Brand has introduced three strange comrades. The trio consists of a sort of superman, wild and primitive, a real child of the Outdoors, who recognizes no man-made laws; a big, fiery stallion known as Satan, and a gigatic dog, Black Bart. These three beings, unlike any others of their kind, find their companionship only in each other. With this idea the author and director have created a most unusual picture.

J. G. HALL THREW AWAY HIS CRUTCHES BECAUSE HE DID NOT NEED THEM AFTER TAKING RE-CU-MA.

FOR SEVEN YEARS HE COULD NOT WALK WITHOUT THEM

The manufacturers of Re-Cu-Ma do not claim that it will work miracles, but here is a case where it actually put a man on his feet again after seven years' use of crutches. Everyone in Bellair, Florida, knows J. G. Hall an everyone has confidence in what he says. Many of his townspeople were witnesses of his act of throwing away his crutches after having taken seven bottles of Re-Cu-Ma M. Hall on his crutches has been a familiar sight to his friends; he was almost bent double; in fact; he was so badly crippled with rheumatism that even some of his joints were dislocated and of course he suffered agony at all times, no relief at any time. Mr. Hall was thoroughly discouraged and felt that he would never be able to get around again like other men; he had spent a small fortune with doctors in many places, but without avail. He took one bottle and saw some help and was encouraged enough to take more and now, after taking seven bottles he feels practically cured. He has gained 32 pounds in weight and is able to work hard every day. He is employed as night watchman at the world famous Bellair Hotel and takes an active interest in Masonic and church work. Mr. Hall's remarkable cure should be a beacon of hope to others who are similarly afflicted, for we naturally feel that Re-Cu-Ma can do as much for other sufferers. Try it today—we sell it on the guarantee that your money will be refunded if you do not feel benefited after taking 2, four days. It sells for $1.20 plus war tax and can be had at Rexall Store and all drug stores.

IT COSTS TOO MUCH TO BE SICK

Keep Your Blood in Good Condition And You Throw Off Disease

Pay Attention to Your Health

No Need to Take Chances With It. Pepto-Mangan Makes Rich Red Blood

When you first feel a tired, all gone feeling and look pale, your blood is losing in quality. Weak, impoverished blood has no power to fight disease. It takes red blood to keep you well.

If you keep your blood in good condition it will fight off disease. You will not be such an easy prey to long and expensive sickness. With thin blood you take chances every day.

There's no need doing that. You can take Pepto-Mangan and build up rich, red blood. With red blood you are able to win in the fight against prevailing diseases. Try Pepto-Mangan. It comes in tablet or liquid form. Take either kind. The tablet has the same medicinal value as the liquid. But be sure you get the genuine Pepto-Mangan. Ask for "Gude's" and be sure that the name, "Gude's Pepto-Mangan" is on the package.

Wm. WEIGEL, of Seattle, who says he had no idea anything on earth could do for him what Tanlac has done. Declares he has gained 30 pounds and that his health has een completely restored.

"I had no idea that anything on earth could do for me what Tanlac has done, and I just feel like telling everybody I see about this wonderful medicine," said Wm. Weigel, 2602 Third Ave., Seattle, Wash., with the widely-known New Washington Hotel.

"When I began taking Tanlac," continued Mr. Weigel, "my condition was so rundown that I could not work. I was never hungry, and my stomach was so disordered that the little I forced myself to eat disagreed with me. My kidneys bothered me, and the pains across my back were so severe that when I tried to bend over and straighten up again it would nearly kill me. I had splitting headaches and such dizzy spells at times I would almost topple over. Then to makes matters worse, I began to suffer with rheumatism in my legs. I was nervous, weak and listless, was rapidly losing weight and strength and seemed to be going down hill every day.

"I began to improve after the first few doses of Tanlac. I seemed to feel better each day as I continued the treatment. In a few weeks I was like a brand-new man. Now, I have a big appetite, eat anything I want, enjoy every mouthful and I don't suffer in the least afterwards. I sleep like a child every night and feel just fine on arising in the morning. I haven't a pain about me, my strength has been wonderfully increased and I have actually gained thirty pounds.

"If anybody doubts this statement just tell them to see me and I will give them the names of some of my friends who will verify every word of it."

Tanlac is sold in Alexandria by Edgar Warfield, jr., and Gibson Drug Store.

Monday Will Be Your
Opportunity To Buy
Neponset Floor Covering
At 85c a yard
After the sale this goods will sell at $1.00 a yard

Not for 12 months will another special demonstration sale be held. If you are in need of floor covering, or if you are going to need some in a month's time—this is your opportunity to save on every square yard that you purchase now.

The demonstration will start next Monday morning and continue throughout the entire week. We have received hundreds of yards of this floor covering and we expect to sell the greater portion of it. See it in our windows—then come in the store and let the factory expert explain its advantages over the ordinary kind of floor coverings.

100 Per Cent Waterproof
"Neponset" is not merely waterproof on top and bottom, but 100 per cent waterproof through and through. Water cannot fade the handsome "Neponset" colors; it will not dim the artistic "Neponset" patterns that housewives all the country over are so enthused about, neither will it soak in and injure it in any way—because "Neponset" can lay in the water for weeks and never be the worse off.

Will Not Decay
Because "Neponset" is 100 per cent waterproof there need be no fear of it rotting or decaying as most moderate-priced floor coverings do. It is guaranteed rotproof, and will give better and more satisfactory service than any other floor covering you have seen at double its price. It is thick, durable, sanitary and easily cleaned, and will last for years and years.

Beautiful Patterns
Nearly twenty different patterns to select from; patterns that are suitable for Kitchens, Dining rooms, Bedrooms, Living Rooms, Bathrooms, etc., every one new, many just off the press. There are tile, wood, matting, block, conventional and allover effects in striking color combinations that are sure to please every modern housewife.

BE SURE TO WATCH THE "NEPONSET" DURABILITY TESTS THAT ARE BEING ARRANGED

We intend to prove "Neponset's" wonderful durability by the stiffest tests imaginable. We are going to place a piece of this floor covering on the sidewalk in front of our store—a piece that will be cut from our regular stock. It will be subjected to all the weather conditions next week. Hundreds of people will walk on it during the week. In this way we expect to subject it to more and harder wear than it would receive on your floors in a year's time.

Be sure and come Monday and examine this piece of Neponset and you will certainly be surprised to note the continued freshness and substantial appearance. Then keep close watch of it during the week and see how the wear and tear effects it.

DON'T DELAY YOUR PURCHASE—WHEN YOU COME TO THE DEMONSTRATION DON'T FORGET YOUR ROOM MEASUREMENT
